INNOVATIONS

Take Comfort Far From Home

Perfect for sharing adventures near or far, each design detail—from the insulated removable hood, to the snugly Blanket Fold™, tuckable sides, and bedding-like box baffle construction—add to the fun, comfort, and performance of Mezzo™ Duo.

Two 25" X 76" pads, the Mezzo Loft™ Duo, and a pair of Fillo™ pillows make a backcountry bed as comfortable as your bed at home.

Stretch stitching throughout the top of the bag keeps you warmer by holding the insulation close to you while still allowing a full range of motion.

STRATOFIBER™

Insulation Technology

Stratofiber™ is NEMO's formula of polyester staple fiber insulation optimized for a balance of warmth, loft and value.
