

VECTOR™ 25L

© 2016 NEMO Equipment, Inc.

WARMTH

Aluminized film provides warmth at an ethereal weight.

COMFORT

Unique surface contours are more comfortable than traditional baffles.

STABILITY

Ultralight low-stretch Spaceframe™ baffles eliminate side to side instability.

1lb 5.5oz
610g

30 to 40°F
-1 to 4°C

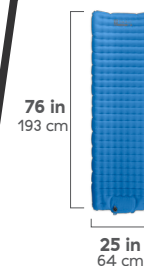

FEATURES

EMBOSSED 20D FABRIC
Ultralight, abrasion resistant, and exceptionally packable.

SPACEFRAME™ Baffles
Patent pending design cuts out weight and adds stability.

THERMAL MIRROR™
Featherweight aluminized film reflects radiant heat.

INTEGRATED FOOT PUMP

Integrated foot pump makes setup fast and gives your lungs a rest.
